Selectmen's Secretary
EDITH L. BURBANK

WARRANT

You are hereby notified to meet at the Town Hall in said Dalton on Tuesday, the 10th day of March next, at 12 o'clock noon to act upon the following subjects. The polls will be open at 12 o'clock and will close at 6 o'clock in the afternoon. The business meeting will be held at the Dalton Elementary School Gymnasium and will open at 7:30 o'clock in the evening.

1. To choose all necessary officers for the year.
2. BY-LAW RESPECTING THE DUMPING, PROCESSING, REMOVAL AND DISPOSAL OF HAZARDOUS WASTES.

    1. Hazardous wastes shall not be dumped, buried, stored, collected, received, processed, reprocessed, treated, recovered, separated, or disposed of in any way on any land in, or in any building in the Town of Dalton, N.H. except by prior permission of the voters of the Town obtained at an annual or special Town Meeting.

    2. For the purpose of this by-law, hazardous wastes means any material which may

        a) cause or contribute to an increase in mortality or illness; or
        b) pose a potential threat to human health or the environment when improperly handled or mismanaged; or
        c) has been identified as a hazardous waste by the New Hampshire Bureau of Solid Waste Management using the criteria established under RSA 147:50.

    3. This by-law shall take effect immediately on its passage.

    By petition.

3. To see if the Town will vote to give the Selectmen the right to issue temporary loans in anticipation of taxes.

4. To see if the Town will vote to accept the Budget for 1981 as prepared by the Selectmen and appropriate the amount therein or to make any changes.

5. To see if the Town will vote to authorize the Selectmen to administer and dispose of any real estate acquired by Tax Collector's Deed at private sale, as the Selectmen, in their sole discretion, deem equitable and just (R.S.A. 80:42 (land 111)).

6. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend, without further action by the town meeting, money from the State, Federal or other government unit or a private source which becomes available during the fiscal year (R.S.A. 31:95-b).

7. To see if the Town will vote to raise and appropriate One Thousand Dollars ($1,000.00) to be added to the Capital Reserve Fund for the purchase and replacement of Fire Equipment.

8. To see if the Town will raise and appropriate by notes and bonds a sum of money not to exceed Forty Thousand Dollars ($40,000.00) to be added to the trade value of the existing loader for the purchase and replacement of the loader, and to use $9,500 of Revenue Sharing Funds established under the provisions of the State and Local Assistance Act of 1972 to reduce the $40,000.00 needed to purchase a new loader.

9. To see if the Town will change the town dump over to comply with the RSA laws relating to Solid Waste Disposal in Public Dumps. To appropriate a sum of money not to exceed Six Thousand Dollars ($6,000.00) for the purchase of five, ten yard steel canisters, and a first year sum of Eight Thousand Dollars ($8,000.00) for the use of a landfill and transportation of solid waste.

10. To see if the Town will vote to establish a Capital Reserve Fund for the purchase and replacement of Highway Equipment, and put Five Thousand Dollars ($5,000.00) in the fund.

11. To see if the Town will vote to raise and appropriate a sum of Five Thousand Dollars ($5,000.00) for the purpose of having a compliance audit and a financial audit of the town's books and methods, this being a recommendation of the State of New Hampshire due to the financial situation of the town.

12. To see if the Town will vote to petition the Representatives and Senators who represent the Town in General Court to support in the current session of the General Court, the concurrent resolution to amend the State Constitution to limit the annual increase in property taxes to five percent and to limit the annual increase in spending by the state or any city, town, or other governmental unit of the state to five percent. By petition.

13. To transact any other business that may legally come before the meeting.

Given under our hands and seals this the 1st day of January 1981.

A true Copy Attest:

FREDERICK PILOTTE
RALPH BLAKSLEE
CHARLES J. PACKARD
Board of Selectmen

1980-DALTON PLANNING BOARD REPORT

The Planning Board approved 5 subdivisions during the year. All of the subdivisions were within the State subdivisions code adopted by the town. Anyone wishing to submit a plan to the board may do so by contacting myself or Secretary, Susan Bean.

BOB BARTLE

TOWN REPORT
1980

The Public Health Nursing Service, Inc. of Lancaster is a fully accredited home health agency, governed by a board and providing nursing service, physical therapy, and speech therapy to all residents of Lancaster, Groveton, Whitefield, Dalton, Jefferson and Stark.

The Public Health Nursing Committee is made up of volunteers from each community served. The officers for 1980 were:

Jean Tenney - Chairman
Bonnie Knapp - Vice-Chairman
Lyla Blodgett - Secretary
Charlotte Quay - Treasurer

As 1980 comes to a close the Public Health Nursing Service can look back on a successful year.

Maternal & Child Health Conferences are made possible with a grant from the State Bureau of Maternal & Child Health. Children from ages birth - six years of age who are not enrolled in a regular health care system and reside in one of the six towns served by this agency, are eligible for enrollment in this program.

In conjunction with the State Bureau of Dental Health and the area dentist, we were able to institute a dental screening program for children age three to five years.

The WIC program has been added to our list of services provided to area residents. Monthly blood pressure clinics are still being held in all of the towns served by this agency. The screenings are organized by the Senior Citizens of each community, with Public Health providing the nursing staff.

Pre-school Vision and Hearing screenings is a continuing program. Immunizations clinics are held the third Friday of each month. This clinic is available to all parents who wish to have their children attend.

We wish to extend our appreciation to all state and local agencies for their continued support of our programs; to Dr. Robert Lewis for serving on our Medical Advisory Committee; Dr. Gregory Shields for serving as Maternal and Child Health program physician; and to Father Nolin for the use of All Saints Parish Hall for housing our programs.

A sincere thank you to all those persons who unselfishly volunteered their time to assist us, and thus enable us to continue with all aspects of our public services.

Respectfully submitted,
MARION McCAIG, R.N.
Director Public Health Nursing
Service

POLICE DEPARTMENT
TOWN OF DALTON

To the Board of Selectmen:
Subject: Annual police report for 1980

Apparently in my report last year, I bragged too much about the decrease in certain areas of crime and motor vehicle violations. Even with the tremendous increase in the cost of gasoline there is still a great deal of people "moonlighting" at the expense of others. During the year we noted a large increase of thievery and damage. There was also a large increase in the number of accidents over the previous year. Part of this was due to sudden changes in road conditions. As soon as the highways get slippery everybody takes to the roads to test their skills. Fortunately there were no serious physical injuries. About half of these accidents could have been prevented if drivers would wait a while and give the road crews a chance to treat the highways with sand and or salt. We investigated 22 accidents in addition to an unknown number taken care of by State Police.

The number of breaking & entering cases increased again. However, some of these and some from previous years were solved with the help and able assistance from the surrounding departments and State Police. At present there are still approximately 10 unsolved cases pending. The largest involves approximately $12,000.00 worth of silverware. What can we do about it? I can not honestly answer the question. We are still being hampered by the decisions passed down from the courts. Why do the police become disillusioned? The following is just a couple of cases handed down this past year. Police spotted man carrying a woman's vanity case, he saw the police, changed directions and started to hurry off. The officers stopped him and asked him to answer a few questions, and he ignored them. When they started to climb out of their cruiser, he took off on the run. The officers caught him after he discarded the case in a pile of junk and they retrieved same. In same was a gun, drugs etc. The court held the stop and seizure of evidence illegal and ordered the release of him. The N.Y. Court of Appeals stated the person being questioned may flee his encounter with the police, and the police may not pursue the suspect; and further, that property tossed aside by a fleeing suspect during such a pursuit is not "abandoned," and cannot be seized by the police in the absence of probable cause to arrest. Thank your lucky stars this decision applies only in N.Y. at this time.

The factory workers of the Supreme Court manufactured more law recently. In a 6-3 decision, they clarified some of the law they began making 14 years ago in the famous Miranda decision, which established the defendant's right not to be interrogated without counsel present, if requested.

Immediately after being robbed by a man with a sawed-off shotgun, a Rhode Island cab driver identified a photograph of a man he said was the robber. Later the police spotted the man, unarmed, on a street, arrested him and advised him of his Miranda rights.

On the way to the station, two officers conversed. One said there were a lot of handicapped children in the area, and hoped none of them found a weapon with shells as they might hurt themselves. The other said it would be too bad if a "little girl" would pick up the gun, maybe kill herself"

At this time the suspect interrupted the conversation, urged the officers to turn the car around so he could show them where the gun was hidden. They returned to the scene of the arrest, where a search was underway for the weapon, the suspect was again advised of his Miranda rights. He said he understood but "wanted to get the gun out of the way because of the kids in the area" of the school. He was indicted for robbery, kidnapping and the murder of another taxi driver.

His conviction was overturned by the R.I. Supreme Court because of the policemen's remarks in the car, he had been "interrogated" without having explicitly waived his right to counsel even though he had not been addressed personally, and even though the policemen may have been genuinely concerned about the children's safety.

Does this make sense to you? It's a crime the way we treat criminals. What rights does the victim have? The American people have virtually surrendered to criminals. We've let these people impose all sorts of costs and inconveniences on us.

Who bears the cost of all this crime — in dollars, blood, and inconvenience? Law-abiding people do. Who speaks for us? Nobody. The victims are ignored and the criminal coddled and absolved of responsibility for their actions. We are told to rehabilitate the repeated offender, even after he has been arrested 16 times. A person can be fined or imprisoned if he hurts a criminal when he is in the process of protecting himself, property or his family.

This is nonsense. Crime has increased because the cost of committing crime has decreased. The likelihood of conviction following an arrest is declining all the time. Even if he is found guilty, he may not be sentenced or may serve only a short period of time in the luxury of a "detention facility" or minimum security prison.

Look at the lenient way in which we treat juvenile crime, and how it encourages young delinquents to move up to bigger things.

We could adopt a better approach to crime control by showing criminals the same kind of mercy that they show their victims but that would violate their civil rights.

Despite the LEAA spending nearly $25 million in grants and awards since 1969 in N.H. we seem to still be sliding backwards. This is our hard earned taxes. Does any of this make any sense to you? If it has aroused your dander at least a little, it has then accomplished something. Why not sit down and write your representatives or congressmen letting them know how you feel about this mess we continue to fund.

Contrary to the rumors that keep popping up, I have not decided to call it quits even though I have been around some 20 plus years. The State has put some pressure on us to have us become certified. My feeling is that we have been sworn officers before the Standards & Training council was thought of and the best experience is still coming from experience gained from being in the field. How many small town officers do you read about being fired or dismissed for wrong doings? I have seen some of those Certified people do some of the strangest things you can think of. Maybe that is the way it is taught at the places of higher education, or it could be they have given up on the system knowing that practically nothing will be done to punish the guilty parties. Enough.

We will continue to work with the various state and local agencies in the coming year with the hope of reducing the level of criminal activity. With

their help and the support of you the taxpayer this hopefully can be done. Of course, we also need the continued backing of the governing bodies.

One of the more gratifying cases taken care of this past year involved several thousand dollars taken from an elderly resident. Through the persistent efforts of Cpl. Landry and others the responsible party was dealt with and the money returned.

"NO MAN STANDS SO TALL AS HE WHO STOOPS TO HELP A CHILD"

Respectfully submitted,
BRADLEY WHITCOMB, CHIEF
Dalton Police Department

DALTON FIRE DEPARTMENT
Annual Report for the Year Ending December 31, 1980

During the year 1980, a considerable amount of Fire Training was completed; various stages of Fire Fighting, consisting of Pumper Operation, Hose and Fire Streams, Ladders, Rescue Technique and the use of all Fire Equipment.

We have come a long way in the last ten years, but we still have a long way to go to have an A-1 Fire Department in Dalton. With the help of each and every one of us, we will accomplish our goal.

If any person eighteen years or older wishes to join the Fire Department, they are more than welcome. We can use all the help we can get. As for the women of the Town of Dalton, if you would like to get involved in the Fire Department, you can join the Ladies Auxiliary.

In 1980 the Dalton Fire Department had a total of 26 calls, 6 more than last year-1979. The reason is, more Mutual Aid calls. Following is a breakdown of calls.

Chimney Fires	6
Dump Fires	4
Forest and Grass Fires	3
Skidder Fire	1
MUTUAL AID	
Littleton	4
Gilman	3
Georgia-Pacific	5

Our thanks to the Whitefield Fire Dept. for the outstanding job of responding to all the calls on the east side of Dalton Mt. Thanks to the Gilman Fire Dept. and Rescue Squad for covering our Fire Station when we were on call.

A special thanks to the Littleton Fire Dept. for sending up Fire Instructors for our Training Sessions and Fire Equipment when needed.

A special thanks to the Ladies Auxiliary for the hose and battery charger, the Board of Selectmen, the citizens of Dalton and the Volunteer Firemen for their cooperation and understanding.

Respectfully,
RAYMOND BARTLETT
Chief, Dalton Volunteer Fire Dept.

REPORT OF FOREST FIRE WARDEN And STATE FOREST FIRE SERVICE

Forest Fire Prevention: Your Business, Our Business, Good Business. Forest fire prevention slogans have been seen in association with Smokey Bear since the late nineteen forties when a national effort to check the spread of forest fires was implemented.

New Hampshire residents recognized that forest fire prevention and suppression was the responsibility of every citizen, a half century before this national campaign, when our legislature established our first forest fire laws in 1903. Since that date, the State has appointed a town/city forest fire warden who is responsible for forest fire law enforcement in his municipality.

All fires kindled out of doors when there is no snow on the ground must be approved in writing by the forest fire warden before being kindled. All forest fires must be suppressed by the warden and his deputies as soon as they are reported. The cost of fire suppression is shared jointly by the town/city and the State of New Hampshire, as are forest fire prevention and forest fire training costs.

This state and local municipality cooperative forest fire program has given New Hampshire one of the best forest fire records in the United States.
